

Payment Center: Now pay third parties directly from StavPay, the leading Business Spend Management & Expense Allocation Platform for Alternative Asset Managers

The StavPay **Payment Center** is a scalable, intuitive solution that allows clients to easily pay bills directly within the StavPay platform.

Payment Center Capabilities

1. Integrated, Secure Payment Processing

- ▶ **Make payments directly from the StavPay platform with a single click** – No need to switch between banking portals as StavPay connects directly to banks, wire networks and fund administrators.
- ▶ **Supports Multiple Payment Methods** – ACH, RTP, USD and cross-border wires.
- ▶ **Automated Approvals & Workflows** – Customizable multi-level approvals for compliance, risk mitigation and security.

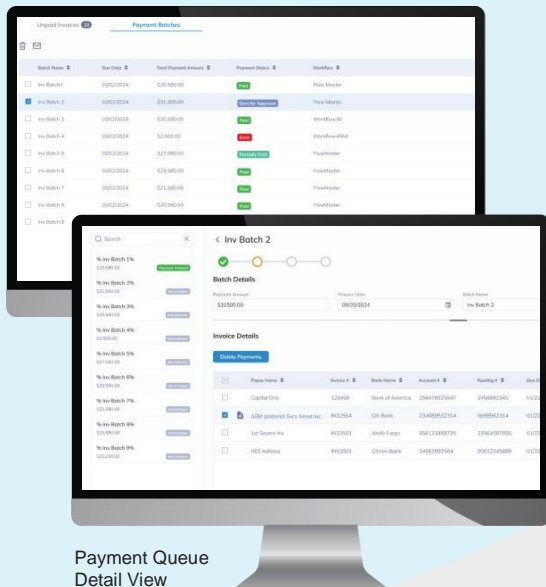

2. Real-Time Financial Visibility & Control

- ▶ **View Account Balances, Statements & Transactions within StavPay**
- ▶ **Transparency** – All payments are automatically logged and matched with invoices.
- ▶ **Multi-Entity Support** – Streamlines payments across different funds and entities.

3. Robust, Modern Integration Capabilities

- ▶ Supports ISO20022-compliant messaging.

Payment Batches List View

Payment Center Benefits

- ▶ Fast Payment Processing
